Dear Mike,

On the occasion of the official opening of Bethsalem Care (March 12, 2005), I would like to express our deep appreciation for your company's contribution to the successful completion of this large 90-bed Nursing Home at Happy Valley.

Your company's tradespeople carried out their responsibilities in a professional and competent manner adding to the excellent finish of the building and interiors. Without exception the staff, residents and relatives are delighted with the results and enjoy the pleasant ambience of the new Home.

In particular I would appreciate it if you could pass on to Steve Adey, to Jack Gordon and to Greg Palmer, our warmest congratulations on work well done.

We happily invite you to call in and visit us, to see the end results and to enjoy the atmosphere of a lovely new "home" for our loved elderly residents.

Once again, thanks to all concerned.

On behalf of the Bethsalem Board of Management,

Andrew K. Hill
